

New tasks (20.04.20)

Hello students from class 9c. I hope everybody's fine and you enjoyed your Easter holidays. Since school still cannot start, I want you to get used to our learning content again. Therefore, I'd like you to do the following tasks.

IMPORTANT: From now on, you have to hand in your results and I will correct and mark them.

Please send your results to: hannes.barth@ebrs.nrw.schule with your name on it. You can take a picture of your results or hand in the file (word or pdf) directly.

Deadline: Thursday, 24th April, 1:20 pm

1. Hand in the "city file sheet" you created (I uploaded the task again in a different file)
2. TB p.67 no.3 -> Conditional sentences type 2 (repetition, for explanations check p.153 again), full sentences!
3. TB p.67 no.5 -> Words that describe feelings, full sentences!

Upcoming week we will introduce a new learning platform called *moodle*. Here you will receive new tasks and we can communicate directly. We don't know how this will work in detail yet, but we will keep you updated!

Take care and I hope to see you soon!

Mr. Barth
