

New tasks:

- ~~1. Vocabularies Unit 4, Part B (repeat Part A again!)~~
2. Our new topic will be "Big city life". In order to get prepared for that, I want you to create a "city file sheet" for favorite city or a city of your choice.

You can use the template (Vorlage) on the next page ↓

Explanations:

- You should use the internet for research.
- "flag": Draw the flag of your city.
- "places to visit": All cities have attractions to visit. Choose three attractions (e.g. Berlin: Brandenburger Tor) and give a short description about each (e.g. The B.T. is one of the most famous landmarks in Germany. It is a 26m high gate with a big sculpture on top. ...)
- "past and present": Here you are supposed to write a short text about the past and present of your city. For examples you can look in your textbooks on pages 77 and 81.

Important: ~~Bring your "city file sheet" to our first English lesson, or send a picture of your poster to: hannes.barth@ebrs.nrw.schule~~

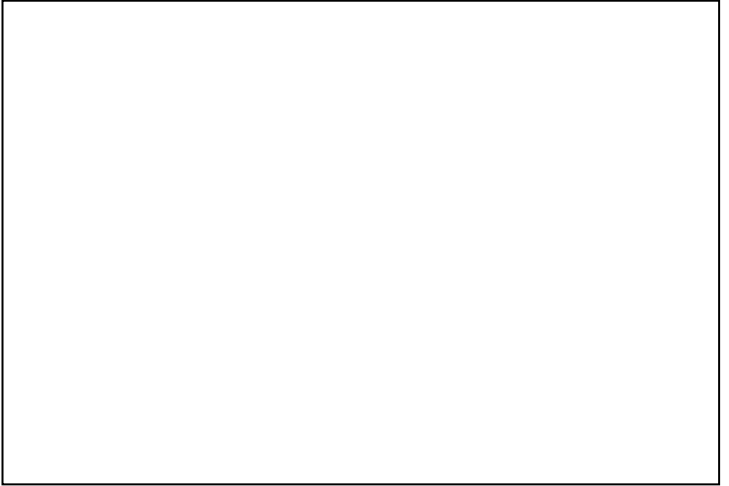

Take care and stay healthy! 😊

Best wishes,

Mr. Barth
