3 WORDS Luis is talking about his New York

_____/10

Luis from Puerto Rico moved to New York five years ago. Read what he says about his new home and fill in the missing words from the box. There are more words than you need.

- floor • I guess • mood • need to • awesome • routine • safest • close to • freedom • violence • polite • crime • apartment • each other

When I first arrived in New York, I was very excited. I had heard about so much _____ and _____ that I was a bit worried, too. But now, after five years, I have found my _____ and I know that New York is one of the _____ cities in the world.

I live on the third _____ of an old building quite _____ the Brooklyn Bridge. My neighbours are from many different parts of the world. We always say hello to _____, but that's it – no chats, no parties together.

_____ that's normal in a huge city like New York. Anyway, New York is just _____ and I love the _____ I have in the city.
