

Dear students of class 7b,

I hope that you are fine and that you don't miss school too much. In the week to come, you are asked to work on the exercises on these sheets. If possible, work at the computer and write your answers and texts in WORD. You can also write into your exercise book and take photos of it with your mobile phone. Then send your results to me by e-mail until 27th April:

nina.walter@ebrs.nrw.schule

I hope to see you all again soon. Best wishes to you and your families. Stay safe and healthy.

N. Walter
